REQUIREMENTS FOR CLASS -

UNIFORM - There is a set uniform students are required to wear each week to class that you will love, but for your first class please come in comfortable clothes and shoes. Uniforms will be available to purchase from our studio before or after class times. T-shirts are \$25 and Leotard/Tutus are \$45. Students will also need to wear soft ballet or jazz shoes. Tap shoes are a necessary part of class - however as a special offer for 2020 All That Dance will supply a number of tap shoes that can be worn in class. If you did wish to purchase a pair they will be available for purchase at the very low price of \$25 a pair.

PLEASE BRING TO CLASS - We recommend each child has a dance bag (any suitable bag) to bring to class with your own water bottle (named) so that shoes, stickers, notes etc can go into bags and get home each week.

NO PARENTS IN CLASS - All students benefit greatly from time without distraction and we run our classes without Parents/ audience. However, the last week of each term is OPEN week and you will be invited to watch the lesson and see the magic of the program and see how much your child has gained. (If your child needs you to be there for their first lesson we do understand and we do allow this as well as having a viewing window to the studio and waiting area outside the room).

Please let us know what day you would like to come for your first trial class and we will make sure the studio is organised to greet you!
